

URBAN ROUTE

How to get to Ocean Grove leaving from downtown Victoria

1. Travel north on Trans-Canada Highway/BC-1
2. Take exit 10, following signs for View Royal/Colwood
3. Continue onto Old Island Highway S past the 6 Mile Pub and over the Parsons bridge
4. After 10 minutes, you'll see the Juan de Fuca Rec Centre on your left
5. At this point you have two route options to get to Ocean Grove; Ocean Route or Urban Route

URBAN ROUTE

- Continue past the Juan de Fuca Rec Centre on Old Island Highway, which shortly thereafter turns into Sooke Road
- Continue on as you pass the entrance to Royal Roads University
- Shortly thereafter you'll come to Metchosin Road, turn left
- Pass by the local Fire Station and Elementary school, then keep an eye out for Lagoon Road where you will take a left
- Continue down the hill as the views open up, overlooking the Ocean Grove site and the

Straight of Juan de Fuca

- Take your second left onto Heatherbell Road
- From there, turn right onto Seafeld followed by another right onto Selleck Way.

Welcome to Ocean Grove!

If for some reason you find yourself at the 17 Mile Pub in Sooke you've gone too far so head back 10 miles and turn right onto Metchosin road and follow the steps above. You have arrived late but happy.
